

ROSSLYN CHILDREN'S CENTER

Field Trip Permission Slip

As part of our ongoing exploration of our world, we would like the opportunity to walk through our neighborhood on a weekly basis. We will be observing the changes to the buildings around us, as well as how the gardens change in spring.

Please sign below to indicate your permission to allow your child to participate in weekly walks. As always, thank you for your ongoing support. We are excited to move into spring!

I _____ give permission for my child,
_____ to participate in RCC sponsored weekly
walks around the neighborhood with his/her class.
